Photo Courtesy: Gallo Images/Getty Images Gaming is a billion dollar industry, but you don't have to spend a penny to play some of the best games online. First, students write a shopping list for a class party. The student with the most matching sets of cards at the end of the game is the winner. League of Legends tournaments are popular e-Sport events, so if you'd like to watch the pros go at it before trying the game out for yourself, you certainly can. Student A starts by asking their partner what various people have by looking at the corresponding name and picture in their chart, paying close attention to countability and number. Give each pair of students a copy of the first card (a gym). In groups, students take it in turns to pick up a card and read the group, e.g. 'Name two things that you find in a bathroom'. Then, give out a new card, and the game starts again. This free countable or uncountable nouns game helps to teach students take it in turns to turn over a noun card and place it under a countable or uncountable or uncountable heading. Pairs then race to win an extra point by making a meaningful sentence or question with the noun using a question word or quantifier from the board. Unlike some free online card games, you also don't need to spend money to have a competitive deck. Pinball Arcade While there are many pinball games out there to choose from, Pinball Arcade is special in that it attempts to recreate actual pinball machines so that you can play them from the comfort of your home. CCO/EvanLee/Pixabay Lord of the Rings Online may have been released in 2007, but while many other MMOs from that time have fallen by the wayside, this game continues on, in part because it appeals to hardcore fans. While the most obvious tweak was a shift to a limited free-to-play model less than a year after release, there have been a lot of more subtle changes that are good news for everyone. When the students have finished, check the answers with the class. When the students have correctly matched all the noun cards, they take it in turns to turn over a quantifier card and make a sentence with one of the nouns on the table. The student with the most cards at the end of the game is the winner.

The game also helps students associate quantifiers and question words with each type of noun. This can be a difficult concept for ESL students to grasp and it is important for English language learners to learn the difference. To correctly use the plural form or to correctly use determiners like 'some' and 'any', students must know whether the noun is countable or uncountable. It is also important to know if a noun is countable food to help English language students to
